OUR FACILITIES

Our nursery is intricately designed to meet the unique needs of babies, toddlers, and pre-schoolers. The well-lit and spacious interior seamlessly connects with our spacious garden, creating a comprehensive environment for their overall growth and development.

Featuring dedicated spaces for each age group, our well-planned layout enables children to engage in customised activities, nurturing emotional, physical, and communication development. From weekly Musical Bumps sessions for our youngest learners to individualised attention through our pre-school readiness programme, we surpass conventional care.

Injecting a sporty element into our curriculum, we conduct exclusive football sessions for pre-schoolers led by a coach, incorporating enjoyment and physical activity into our educational approach.

Our commitment to a comprehensive experience transcends the nursery boundaries. Regular local excursions to the library, Millers Pond, and woodlands provide new perspectives, enriching your child's learning journey with diverse and meaningful experiences.
